Our Services

We provide independent investment advice. We will consider a range of regulated products from the available market that can meet the investment objectives of a retail client but we will only provide a recommendation to you when we know the product is suitable for your personal circumstances.

Sigma Wealth partners Limited is able to act on your behalf in advising you on investments and non-investment insurance contracts. We offer products and services as follows:

- **Investments** - we offer an Independent advice service. We will recommend investments based on a comprehensive and fair analysis of the market. We will place no restrictions on the Investment Markets we will consider before providing investment recommendations, unless you instruct us otherwise. We will however only make a recommendation when we know it is suitable for you.

You should be aware that investments carry varying degrees of risk and as their underlying value can fall as well as rise you may not get back the full amount invested.

- **Non-investment protection contracts** - we offer non-investment protection products , term assurance, income protection and critical illness from a range of insurers.

Full details of the products we recommend will be confirmed in the product literature you will receive before it is arranged. We will inform you if any investment we recommend restricts future access to your capital.

We offer you an initial discussion (without charge) at which we will describe our services more fully and explain the payment options. If you decide to go ahead, we will:

- Gather and analyse personal financial information about you and your aims and objectives;

- Recommend and discuss any action we think you should take and, with your agreement, arrange relevant solutions for you.

Your Aims and Objectives

Unless we notify you in writing to the contrary, we will be treating you as a “retail client” for investment business. This means that you are afforded the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service.

Any advice or recommendation(s) we offer to you will only be given after we have assessed your needs and considered your financial objectives, attitude to risk and capacity to bear any losses. We will also take into account any restrictions that you wish to place on the types of products or investment strategy you would be willing to consider.

Our Ethical Policy

We are committed to providing the highest standard of financial advice and service possible. The interest of our clients is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon;

Instructions

We only accept instructions in writing (paper or electronic means) to aid clarification and avoid future misunderstandings. Please note we will not act on oral instructions to avoid any possible misunderstandings.

Our Investment Services and Costs

We provide you with an initial consultation free of charge. This helps us to understand your financial objectives and we will confirm how we can support you in working towards these goals. We will also discuss the cost, and levels, of our services both initially and throughout our relationship with you. We charge our services by way of a fee. These fees are based on a percentage of the amount you invest, subject to a minimum fee. The 2 steps of this process are explained here:

Financial Review and Recommendation

This can be a continuation from the initial discussion, where agreed, or a further appointment. This process covers the:

- gathering of information about your existing financial arrangements and full personal circumstances;
- understanding of your investment knowledge and attitude and tolerance towards investment risk;
- recommendation of an asset allocation model that matches your risk profile and the subsequent assessment and suitability of any existing holdings;
- preparation of our recommendations to you;
- arranging a second appointment to explain and discuss our recommendations in detail.

Our charge for this service is a fixed fee of £500 payable on provision of the report containing our recommendations to you. This fee will be waived wholly or in part should you decide to implement any of our recommendations.

Policy Arrangement & Implementation – Lump Sum Investments or Transfers

Should you instruct us to proceed with any of our recommendations we will act for you in the following ways:

- Handle all fund and policy administration on your behalf;
- Provide regular updates to keep you informed of progress;
- Ensure all your documents are issued in line with your expectations;
- Provide confirmation of all actions taken on your behalf in writing.

Our charge for this service is based on the amount you invest and/or transfer. These charges are applied as follows:

- Up to £50,000 – £2000
- £50,001 to £100,000 – £4000
- £100,001 and above – Variable, dependent upon work involved.

This payment can either be taken from your investment upon receipt by the policy provider or paid directly by you. Where we receive such a payment we will waive our 'financial review and recommendation' fee by the same amount.

Policy Arrangement & Implementation – Regular Savings or Investments

Our charge for implementing a regular contribution savings or investment plan is 50% of the first year's contributions. You can pay this under either of the two options listed below:

Option 1

You can pay this directly on commencement of the policy. On receipt of this payment we will waive our 'financial review and recommendation' fee by the same amount with any balance falling due at the same time.

Example 1; if your monthly contribution is £20 our Policy Arrangement & Implementation fee would be £120. As this is less than the 'financial review and recommendation' fee of £500 we would charge you an additional £380 as the balance. The total fee payable would be £500.

Example 2; if your monthly contribution is £200 our Policy Arrangement & Implementation fee would be £1,200. As this exceeds the 'financial review and recommendation' fee no other charges would be applied. The total fee payable would be £1,200.

Example 3; if your monthly contribution is £2,000 our Policy Arrangement & Implementation fee would be £12,000. As this exceeds the 'financial review and recommendation' fee no other charges would be applied. The total fee payable would be £12,000.

Option 2

You can pay the implementation fee through your policy. Where we receive such payments we will waive our 'financial review and recommendation' fee by the same amount.

For monthly contributions of £83.34 and over, the payment will be deducted proportionally from each monthly contribution during the first year.

For monthly contributions under £83.33, 50% of the first year's contributions would be less than our minimum of £500. 11 payments of 50% of each monthly contribution will be deducted from month 2 to month 12, and the balance will be paid directly by you at the start of your policy, to bring the total fee payable to £500 (as illustrated in Example 1, below).

Example 1; if your monthly contribution is £50 our implementation fee would be £300 (£50 x 12 x 50%). This will be collected by deducting £25 (£50 x 50%) from each monthly contribution for months 2 to 12 (11 x £25 = £275). As this is less than the 'financial review and recommendation' fee of £500, we would charge you the balance of £225 by direct payment, at the start of your policy. The total fee payable would be £500

Example 2; if your monthly contribution is £200 our implementation fee would be £1200. This will be collected by deducting £100 from each monthly contribution for the first 12 months. As this exceeds the 'financial review and recommendation' fee no other charges would be applied. The total fee payable would be £1,200.

Should you decide to pay this charge through your policy and payments to the policy subsequently cease, we will calculate the total payments received to date and charge you the balance against the 'financial review and recommendation' fee.

For example, if you invest £100pm our total charge will be £600. We will deduct £50 from each monthly contribution until paid in full. Should payments cease after month 6 (and £300 has been collected) the difference between this and 'financial review and recommendation' fee of £500 would be charged i.e. £200.

Non-Investment Protection and General Insurance contracts

When we arrange the sale of a protection or insurance contract, we will not charge you a fee, as we will receive a commission from the provider. The amount of this will be disclosed to you in the product literature.

Ongoing Reviews and Changes to Existing Investments

It is important to review every investment you hold and at regular intervals. At the time of, or prior to, our recommendation to you we will discuss our on-going service proposition. This is confirmed in our '**service proposition and engagement**' document which will be sent to you separately from this agreement.

VAT

Under current legislation our services are not subject to VAT but should this change in future and VAT becomes payable, we will notify you before conducting any further work.

Cancellation Rights

In most cases you can exercise a right to cancel by withdrawing from the contract. In general terms you will normally have a 30 day cancellation period for a life, pure protection, payment protection or pension policy and a 14 day cancellation period for all other policies. For investments this will typically start when funds are invested and for pure protection policies this will normally begin when you are informed that the contract has been concluded or, if later, when you have received the contractual terms and conditions. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product information issued to you.

If you cancel a single premium contract, you may incur a loss due to market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy.

Client money

Sigma Wealth Partners Limited is not permitted to handle client money and we cannot accept a cheque made out to us (unless it is in respect of an item for which we have sent you an invoice) or handle cash.

Documentation

We will endeavour to make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. All policy documents will be forwarded to you immediately after we have received them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you. We will issue all communications in English, unless agreed otherwise.

Material Interest

We will act honestly, fairly and professionally known as conducting business in 'Client's best interest' regulations. Occasionally situations may arise where we or one of our other clients have some form of interest in business

transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment. Where this cannot be achieved, we will not conduct the business.

Complaints

If you wish to register a complaint, please write to Sigma Wealth Partners Limited, 9 Showell Lane, Lower Penn, Wolverhampton, WV4 4TZ or telephone 01902 324 537 or e-mail gary.singh@swpartners.co.uk.

A summary of our internal complaints handling procedures for the reasonable and prompt handling of complaints is available on request and if you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service at www.financial-ombudsman.org.uk or by contacting them on 0800 023 4 567.

Compensation Scheme

If you make a complaint and we are unable to meet our liabilities, you may be entitled to compensation from the Financial Services Compensation Scheme. For investment business you will be covered up to a maximum of £50,000.

Further information about these amounts and limits for all other product types are available from the FSCS at <http://www.fscs.org.uk/what-we-cover/products>

Anti-money laundering

We are required by the anti-money laundering regulations to verify the identity of our clients, to obtain information as to the purpose and nature of the business which we conduct on their behalf, and to ensure that the information we hold is up-to-date. For this purpose we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning.

Law

This client agreement is governed and shall be construed in accordance with English Law and the parties shall submit to the exclusive jurisdiction of the English Courts.

Force Majeure

Sigma Wealth Partners Limited shall not be in breach of this Agreement and shall not incur any liability to you if there is any failure to perform its duties due to any circumstances reasonably beyond its control.

Termination

The authority to act on your behalf may be terminated at any time without penalty by either party giving seven days notice in writing to that effect to the other, but without prejudice to the completion of transactions already initiated. Any transactions effected before termination and a due proportion of any period charges for services shall be settled to that date.
